

**ATTORNEY DOCKET NO. 02157.0032U1  
Application No. 10/587,708**

**Amendments to the Specification**

On page 4, lines 28-29, the words “to generate a current between two terminals” appear twice. These words should only appear once.

On page 8, line 21, “relay switch 32” should read “relay switch 132.”

On page 11, line 1, “linear simple harmonic motion is driven by” should read “linear simple harmonic motion and is driven by.”
